

STUBBS

South Africa - Chris, Amy, Benjamin, Grayce, Ian

Back to Life

2022 has started with a flurry of activity; it seems that everything that has been dormant over the last two years has suddenly erupted back to life! We began the year by bringing a 22 passenger bus from Cape Town to SAST in Rustenburg to transport students on ministry trips. We stopped at the southern most point of Africa, to see the lighthouse at Cape Agulhas. In February, all the students returned to the Bible School for an impactful beginning with a Spiritual Emphasis Week. As a result, we baptized several students in water for the first time, and some were filled with the Spirit as well! Chris continues to serve as the Dean of Academics and had the privilege of teaching Foundations of Leadership and Kingdom of God. Amy has started a Bible study for 7 of the staff ladies on campus to encourage and equip them. She also felt privileged to address the pastor's wives and lady pastors at a conference. Additionally, we have been blessed to travel to several cities in South Africa and Lesotho to do Bible College consultations and minister in churches. Thanks for doing ministry WITH us!

- PRAISE REPORTS

- Benj and Grayce are finishing up a great year at Evangel. Benjamin is GRADUATING!!!
- Ian is finishing grade 11
- Students are back on campus and we are running at full speed!

- PRAYER REQUESTS

- Please pray for Benjamin as he is praying for God's will for his life after uni
- Please pray for the national church as it's battling the negative impact of COVID
- Please pray for the Bible College as we engage students and continue to work on expanding throughout the country
- Please pray as we engage the AG in Lesotho
- Please pray for Mama Agnes as she considers ways for ladies in her community to make money to provide for their families
